

CURRICULUM VITAE

SURNAME: Al-Saedi

NAME: Salman Kadhum Ajlan

SEX: Male

DATE OF BIRTH: November, 29, 1966

PLACE OF BIRTH: Basrah- IRAQ

MARITAL STATUS: Married

NATIONALITY: IRAQI

POSTAL ADDRESS :Department of Biochemistry, College of Medicine,
Basrah University , Basrah ,IRAQ

Phone: 00964 40 319154 Mobile: 00964 7801012302

E-mail : drsalman_ka@yahoo.com

QUALIFICATIONS:

A. Undergraduate degree:

MBCbB, College of Medicine, Basrah University, Basrah, Iraq

Date of primary qualification: June, 20.1990

Rank and average on graduation: Eighth, 69.82

B. Postgraduate degrees:

1. Certificate of General Practice , Iraqi Ministry of Health in
September ,5, 1992,

2. M Sc (Clinical Biochemistry), College of Medicine, University of Basrah, Basrah, Iraq in February, 25, 1996 . Graduation average : 77.99

LANGUAGE OF INSTRUCTION:

**Mother tongue : Arabic
Second language : English**

PROFESSIONAL EXPERIENCE:

A. ACADEMIC EXPERIENCE:

1. Assistant lecturer, Department of Biochemistry, Basrah Medical College from March,26,1996 - July, 21, 1999.

2. Lecturer, Department of Biochemistry, College of Medicine ,University of Basrah since July,21,1999.

3. Assistant Professor, Department of Biochemistry, College of Medicine ,Basrah University since October,24,2004.

B. CLINICAL EXPERIENCE:

1 .Resident doctor in two hospitals in Basrah, Iraq (Basrah General Hospital and Basrah Maternity and Children Hospital)for 2 years from September,2, 1990- September,2, 1992

2.General Practitioner, Private Clinic in Basrah, IRAQ since March, 1993

3.Staff Member (Specialist doctor) of Haemoglobinopathies Unit, College of Medicine, University of Basrah since December,25,1999

4. Senior House Officer in Internal Medicine, in Al-Sadr Teaching Hospital, Basrah , IRAQ since May,24,2005.

CURRENT POSITION:

1 .Member of Teaching Staff (Assist. Professor), Basrah Medical College. .

Teaching experience:

- 1. Biochemistry for first year medical students, Basrah Medical College.**
- 2. Biochemistry for second year medical students, Basrah Medical College.**
- 3. Biochemistry for second year medical students, Basrah Dentistry College.**
- 4. Biochemistry for second year medical students, Basrah Pharmacy College.**
- 5. Clinical Biochemistry for fifth year medical students, Basrah Pharmacy College.**
- 6. Basic Biochemistry for M Sc students in Clinical Biochemistry, Basrah Medical College.**
- 7. Advanced Biochemistry for M Sc students in Clinical Biochemistry, Basrah Medical College.**
- 8. Clinical Biochemistry for M Sc students in Clinical Biochemistry, Basrah Medical College.**
- 9. Laboratory Management for M Sc students in Clinical Biochemistry, Basrah Medical College.**
- 10. Clinical Biochemistry for M Sc students in Clinical Pharmacy, Basrah Medical College.**
- 11. Clinical Biochemistry for M Sc students in Clinical Microbiology, Basrah Medical College.**
- 12. Clinical Biochemistry for M Sc students in Clinical Pathology, Basrah Medical College.**
- 13. Clinical Biochemistry for Diploma students in Orthopaedics, Basrah Medical College.**
- 14. Clinical Biochemistry for Clinical Laboratory staff Candidates, Basrah Health Directorate.**

Supervision on higher studies candidates:

- 1. Supervision on Diploma candidates: 1**
- 2. Supervision on M Sc candidates: 3**
- 3. Supervision on IRAQI BOARD candidates: 3**

MEDICAL SOCIETIES:

- 1-Iraqi Medical Association.**
- 2-Iraqi Diabetes Society.**

PRIZE:

Prize of Scientific Staff (Medical Specialities) given by the Iraqi Ministry of Higher Education and Scientific Research, 21/7/2002.

ACKNOWLEDGEMENTS:

A. Acknowledgements Books FROM:

- 1. Head of Basrah Maternity and Child Hospital, (4/8/199 1).**
- 2. General Director of Basrah Health Directorate,(1/8/1 992).**
- 3. Dean of Basrah Medical College, (30/4/1998).**
- 4. General Director of Basrah Health Directorate, (7/1/1999).**
- 5. Dean of Basrah Medical College, (22/4/1999).**
- 6. Dean of Basrah Medical College, (3/10/2000).**
- 7. Head of Basrah University ,(14/5/200 1).**
- 8. General Director of Basrah Health Directorate, (28/11/2001).**
- 9. Head of Basrah University ,(19/3/2002).**
- 1 0.Minister of Higher Education and Scientific Research ,(25/3/2002).**
- 11. Head of Basrah General Hospital, (17/9/2002).**
- 12. Dean of Basrah Medical College ,(16/2/2003).**
- 13. Dean of Basrah Medical College, (4/1/2006).**
- 14. Dean of Basrah Medical College, (25/7/2007).**
- 15. General Director of Basrah Health Directorate, (30/10/2007).**
- 16. Dean of College of Dentistry, Basrah University (24/10/2008).**
- 17. Dean of College of Dentistry, Basrah University (20/10/2011).**

B. Certificates ofAppreciation and Attendance. FROM:

- 1 .The 5th scientific Conference of College of Medicine,University of Basrah, December,3-4, 1997.**
- 2. Thc Laboratory Day (Symposium) held by Basrah Health Directorate in November,29, 1998 .**

- 3. The 3rd Scientific Symposium of Haemoglobinopathies Unit in Basrah Medical College held in October, 10 ,1999.**
- 4. The Laboratory Day (Symposium) held by Basrah Health Directorate in December,6,1999.**
- 5. The First National Conference on Chemistry held by the College of Science, University of Basrah in February,22-23, 2000.**
- 6.The First National Conference for Gynaecology and Obstetrics held in Basrah in November,8-9,2000.**
- 7.The First Scientific Conference of College of Medicine, Jordan University of Science and Technology, Irbid, Jordan held in April, 10-12,2001.**
- 8. The Laboratory Day (Symposium) held by Basrah Health Directorate in November, 13,2001.**
- 9. The Fourth Scientific Symposium of Haemoglobinopathies Unit in Basrah Medical College held in December, 25, 2001.**
- 10. The Second Cancer Conference held in Basrah in February,20-21, 2002.**
- 11.The Second Scientific Conference of The Specialist Center for Endocrinology and Diabetes (Baghdad) held in Baghdad in April, 2-4, 2002.**
- 12. The Fourth Panarab Scientific Conference on Endocrinology & Diabetes held in Tunisia in October ,23-26,2002.**
- 13 .The Fifth Scientific Symposium on Hemoglobinopathies held in Basrah,Iraq in December ,23,2002.**
- 14.The Laboratory Day (Symposium) held by Basrah Health Directorate in December, 27,2002.**
- 15. The Symposium on Endocrinology and Diabetes held in Basrah Medical College in January, 30, 2003.**
- 16. The First Pan Arab Conference on Primary Health Care held in Bahrain in February 25-27, 2003.**
- 17. Basrah Medical Association, April, 2005.**

18. The Sixth Scientific Symposium on Hemoglobinopathies held in Basrah, Iraq in May ,18,2006.

19. The Scientific Symposium on Carcinogenic foods and food additives held in Basrah, Iraq in December,15,2009.

20. The Scientific Symposium on Polymerase Chain reaction (PCR) held in Basrah, Iraq in January,5,2010.

21. The First International Conference on Orthopaedics held in Basrah in September 28-30, 2010.

CONFERENCES:

1 . The 5th scientific Conference of College of Medicine, University of Basrah, Decernber,3-4, 1997.

2. Thc Laboratory Day (Symposium) held by Basrah Health Directorate in November,29, 1998 .

3. The 3rd Scientific Symposium of Haemoglobinopathies Unit in Basrah Medical College held in October, 10 ,1999.

4. The Laboratory Day (Symposium) held by Basrah Health Directorate in December,6,1999.

5. The First National Conference on Chemistry held by the College of Science, University of Basrah in February,22-23, 2000.

6. The First National Conference for Gynaecology and Obstetrics held in Basrah in November,8-9,2000.

7. The First Scientific Conference of College of Medicine, Jordan University of Science and Technology, Irbid, Jordan held in Airil, 10-12,2001.

8. The Laboratory Day (Symposium) held by Basrah Health Directorate in November, 13,2001.

- 9. The Fourth Scientific Symposium of Haemoglobinopathies Unit in Basrah Medical College held in December, 25, 2001.**
- 10. The Second Cancer Conference held in Basrah in February,20-21, 2002.**
- 11. The Second Scientific Conference of The Specialist Center for Endocrinology and Diabetes (Baghdad) held in Baghdad in April, 2-4, 2002.**
- 12. The Fourth Panarab Scienific Conference on Endocrinology & Diabetes held in Tunisia in October ,23-26,2002.**
- 13. The Fifth Scientific Symposium on Hemoglobinopathies held in Basrah, Iraq in December ,25,2002.**
- 14. The Laboratory Day (Symposium) held by Basrah Health Directorate in December, 27,2002.**
- 15. One Day Symposium on Endocrinology and Diabetes held in Basrah Medical College in January, 30, 2003.**
- 16. The First Pan Arab Conference on Primary Health Care held in Bahrain in February 25-27, 2003.**
- 17. The Sixth Scientific Symposium on Hemoglobinopathies held in Basrah, Iraq in May ,18,2006.**
- 18. The Scientific Symposium on Diabetes Mellitus held in Basrah, Iraq in November,14,2006.**
- 19. The Scientific Symposium on Laparoscopic Surgery held in Basrah, Iraq in April ,26,2007.**
- 20. The Scientific Symposium on Examination Assessment held in Basrah, Iraq in May,17,2007.**
- 21. The Scientific Symposium on Osteoporosis held in Basrah, Iraq in October,21,2007.**
- 22. The Scientific Symposium on Carcinogenic foods and food additives held in College of Pharmacy, Basrah, Iraq in December,15,2009.**

- 23. The Scientific Symposium on the proton pump inhibitor (Gasec) held by Mepha Drug Company in Basrah, Iraq in February,24,2010.**
- 24. The Scientific Symposium on Polymerase Chain reaction (PCR) held in Basrah, Iraq in January,5,2010.**
- 25. The First International Conference on Orthopaedics held in Basrah in September 28-30, 2010.**
- 26. The Scientific Symposium on update in the treatment of diabetes mellitus held in Basrah, Iraq in October,19,2010.**
- 27. The Scientific Symposium on medical research and medical papers held in Basrah, Iraq in November,29,2010.**
- 28. The Scientific Symposium on update in Laboratory Medicine held in Basrah, Iraq in March,30,2011.**
- 29. The Scientific Symposium on continuous medical education held in Basrah, Iraq in April,5,2011.**
- 30. The Scientific Symposium on methods in medical teaching held in Basrah, Iraq in April,26,2011.**
- 31. The Scientific Symposium on Drugs held in College of Pharmacy, Basrah, Iraq in May,26,2011.**
- 32. The Scientific Symposium on update in radiology held in Basrah, Iraq in December,15,2011.**
- 33. The Scientific Symposium on Tissue repair held in Basrah, Iraq in December,15,2011.**
- 34. The Scientific Symposium on diabetes in children held in Basrah, Iraq in February ,14,2012.**
- 35. The Scientific Symposium on update in urolithiasis held in Basrah, Iraq in February ,21,2012.**
- 36. The Scientific Symposium on gene therapy held in Basrah, Iraq in February ,23,2012.**

- 37. The Scientific Symposium on accreditation held in Basrah, Iraq in February ,29,2012.**
- 38. The Scientific Symposium on intraosseous route of administration held in Basrah, Iraq in April ,19,2012.**
- 39. The Scientific Symposium on update in glycaemic control held in Basrah, Iraq in April ,23,2012.**
- 40. The Second Scientific Symposium on Ophthalmology held in Basrah, Iraq in April ,25,2012.**
- 41. The First Scientific Symposium of the National Program on Cancer Research held in Basrah, Iraq in April ,30,2012.**
- 42. The Tenth Scientific Symposium on Hemoglobinopathies held in Basrah,Iraq in May ,13,2012.**
- 43. The Scientific Symposium on update in the management of diabetes mellitus held in College of Pharmacy, Basrah, Iraq in May,16,2012.**
- 44. The Scientific Symposium on lactose intolerance held in , Basrah, Iraq in May,19,2012.**
- 45. The Scientific Symposium on (Geriatric Orthopedic) held in , Basrah, Iraq in June,7,2012.**
- 46. The Scientific Conference on the University Teaching Staff held in , Basrah, Iraq in September,26,2012.**
