General Information

Nationality	Iraq
Place of birth	Basrah, 1976
Home Address	Al Rubat, Basrah, Iraq
Work Address	Department of Biochemistry, College of Medicine, Basrah University
Land Phone	(+964) 40624247
Language	English, and Arabic
Job	Vice Dean for Scientific Affairs Ass. Prof. of chemical pathology Department of Biochemistry, College of Medicine, University of Basrah

Academic Qualification

Bachelor of Medicine & Surgery -2000

College of Medicine, University of Basrah.

Fellow of Iraqi Board of Medical Specialization in Chemical Pathology - 2007

Iraqi board of medical specialization –Baghdad

Association Memberships

Member of Association of clinical biochemistry (ACB UK)

Member of American Association of Clinical chemistry AACC

Member of International Iraqi Medical association

Member of the Iraqi Medical Association.

Prizemen

Primary school :(1982-1988), Al-Hurria, Basrah.

Intermediate school :(1988-1991),8th of February ,Basrah.

Preparatory School :(1991-1994), The Central school,Bsarah.

Research and Papers:

a Research project carried out during the period of training from 2005-2006 and the Thesis entitle “ **Relationship Between Obesity And Insulin Resistance In Polycystic Ovary Syndrome** “ had been submitted to Iraqi Board of Medical Specialization In partial fulfillment of fellowship of Iraqi board of medical specialization in chemical pathology

The Abstract had been orally presented in **the second of Arab Federation of Fertility Societies (AFFS) and the Annual Congress of the Lebanese Society of Obstetrics and Gynecology (LSOG)** held for duration from may 18 – 20, 2006

DIAGNOSTIC VALUES OF COPPER, ZINC AND COPPER/ZINC RATIO COMPARED TO HISTOPATHO-LOGICAL EXAMINATION IN PATIENTS WITH BREAST TUMORS

Bas J Surg, September, 16, 2010

Serum Magnesium and Severity of Diabetic Retinopathy,

The Medical Journal of Basrah University 2010

High sensitivity C reactive protein (HS-CRP) and metabolic syndrome: correlation with number and type of metabolic syndrome components in Iraqi patients.

The Medical Journal of Basrah University 2012; 30(1):49-54

Conferences and meetung

- MedLab congress in clinical chemistry, Arab Health Dubai 2013
- Sixth workshop of DelpHE Project Istanbul, Turkey 2012
- Fifth Workshop of DelpHE Project London Jan 2012
- Fourth Workshop of DelpHE Project Dubai UAE Dec 2012
- Second workshop of DelpHE Project London Uk Feb 2012
- The First inguaral meeting of DelpHE Project Amman 23 25 Nov 2010
- Third
Scientific Conference Of Endocrinology and Diabetes April 2006
Baghdad Iraq
- First International Oncology Conference May 2009 Basrah Iraq

1st International Orthopedic Conference Sept 2010
Basrah, Iraq

Work experience

1. From March 2007 –till now:

Lecturer in the department of Biochemistry in Basrah
Medical college

- **Training in DNA Fingerprinting from 29/3/2009 – 13/4/2009 by joining workshop of theoretical and practical Forensic DNA Profiling at Medico- legal institute, Baghdad, Iraq.**
- **AA500 Atomic absorption spectrometer Installation, service & operation training, PG instruments, Leicestershire, UK. February 2012**
- **Training on 'HPLC Troubleshooting' Principle of HPLC series , Stuart Jones HPLC Academy, Rochester, UK January 2012**

2-From Nov.2002 till Nov 2006:

Resident Chemical Pathologist: I am working as resident chemical pathologist on the Iraqi Board for Medical Specializations since Nov 2002, and the training programs was as following:

First year :(from Oct. 2002 to Oct. 2003)

- Nov 2002 – Oct. 2003 Training in General Chemistry Laboratory, Teaching Laboratory administration, Medical city, Baghdad

•

Second year:(from Oct.2003 to Oct. 2004)

- Jan. 2004 –Jun. 2004 Training in Renal stone analysis Lab, Teaching Laboratory administration, Medical City, Baghdad
- Jun 2004 – Aug 2004 Train in Hormone Lab. Centre of Diabetic and Endocrinology. Baghdad.
- Aug 2004 – Oct 2004 Training in General Chemistry Laboratory, Teaching Laboratory administration, Medical city, Baghdad.

Third Year :(from Oct.2004 to Oct.2005)

- Oct 2004 – Jun 2005 Training in Hormone analysis and Technique of immunoassay , teaching Laboratory administration, Medical city . Baghdad.
- Jun 2005 – Aug 2005 training in Nuclear Medicine Centre, Medical City, Baghdad.
- Aug 2005 - training in Proteins and electrophoresis department in Teaching Laboratory administration, Medical city, Baghdad.

Fourth Year :(from Oct. 2005 to Oct. 2006)

- Dec 2005 – March 2006 Training in Quality Control and Management in Central laboratory in Baghdad
- May 2006 – Jun 2006 Training in Toxicology centre in surgeries hospital, Medical city Baghdad
- Jun 2006 – Jul 2006 training in General Chemistry lab in Surgeries specialty hospital, Medical City, Baghdad

2-from Oct. 2000 to Oct. 2002:

House Officer: started working as house officer on Oct.2000 in the following departments:

- *three months in general surgery department.
- *three months in the department of medicine.
- * one months in ophthalmology surgery department.
- * two month in otolaryngeology surgery department
- one month in chest and cardiovascular surgery department.
- *two months in neurosurgical department.
- * two month in Coronary care unit.
- * one months in intensive care unit.

All were in The Basrah Teaching Hospital (Saddam Teaching hospital), Basrah.

- *three months in pediatric department.
 - *three months in gynaecology and obstetric department.
- Both were in Basrah Hospital for Obstetric and Pediatrics, Basrah.
- *three months in orthopedic department in Basrah General Hospital.

Other training courses :

- Computer science and internet training carried out by University of Basrah on 2002 during house officer course.
- English proficiency test carried out by university of Basrah, College of Language during house officer course.
