Basra General Hospital

CLINICAL EXPERIENCE

My training rotations have allowed me to develop new and enhance existing clinical, research and personal skills related to general medicine and nephrology. I have over six years experience in this speciality and have received positive competency-based and multi-level feedback regarding my assessment and management of general medical and nephrologic patients and skills via structured assessment tools.

I am competent in many emergency medical conditions and elective case management with many procedures such as liver biopsy, renal biopsy, bone marrow biopsy, lumbar, pleural & peritoneal aspiration and biopsy, peritoneal dialysis, temporary and permanent central venous catheter placement for hemodialysis, performing arteriovenous fistula.

COURSES

Clinical kidney transplantation from Leiden University Medical Center
March 2016

Viral Hepatitis Transmission among Medical Staffs Basra general hospital Jul 11

Emergency medicine Basra General Hospital Aug 10

Medicine Nov 08

CLINICAL AUDIT

Audit of Viral Hepatitis Transmission. Aledani, S. Lecturer. Basra
General Hospital, June 11.

I initiated this audit which looked at the viral hepatitis
transmission among the medical staff in nephrology ward
concerning about the mode of transmission, protection and
vaccination.

TEACHING

I have involved myself in teaching medical students and
dentistry students. My teaching experience includes:

From third to sixth stage medical students (clinical sessions)

Nephrology and hypertension lectures for fifth stage medical
students

Third stage medical students (electrolyte and acid-base
balance)

Fourth stage dentistry students (clinical and theory lectures)

LEADERSHIP AND MANAGEMENT EXPERIENCE

I recognize the relevance of leadership, teamwork and management skills to training, and have involved myself in these activities at every level. My experience include:

Member of British society of hypertension Oct 11

Member of American society of hypertension Sep 11

Member of European renal association Sep 11

Member of international society of nephrology Aug 11

Member of American society of nephrology Jul 11

Member of Iraqi society of nephrology Jun 11

Head department of nephrology and dialysis ward Jun 09

Junior doctor training courses about case management in ward and emergency department Nov 08

PERSONAL INTERESTS

I enjoy swimming, electronics, travel, driving and spending time with my family.
